

# *Extend OSHC at Wandin North Primary School*

Hey Everyone,

How is everyone? Mother's, I hope you enjoyed the tiles the children painted for you. They had a great time painting them for you.

Few weeks ago, we made pipe cleaner creations. The preps loved make different creations out of pipe cleaners. They made monsters, different foods, unicorn horns, bracelets and just platted the pipe cleaners. Since then we have been making different unicorns activities, some of the children really liked making unicorn horns. To add onto the unicorn fun, this week we are going to make unicorn slime. We have also being making costumes, I put out different materials on the table and the children could make whatever they want. Some of the younger kids loved the cellophane. They made them selves into super heroes, motor bikes riders and warriors.

On the curriculum day, it was a big day. We were open 6.30am-6pm. We painted tiles, make cupcakes and decorated cupcakes, made pancakes, we went outside etc. It was a long but fun day.

Thank you to the people who have already donated books etc. We appreciate anything that you can give us. You have until the 15th June to bring it all in.

Thank you. Talk soon.
