

## *Extend OSHC at Wandin North Primary School*

Hey Everyone,

Hope everyone had a good holidays. I went and saw the sandcastles at Frankston. My friends surprised me with a day for my bday, we went to the movies and had lunch it was nice. What did all you do?

This term has had a good start. So far we have made lots of different creations, we made hairy harries, we made them into worms or snakes. They haven't started growing yet but they will soon with a little bit of water and sun.

Over the next week, we will be making a special present for mum for Mother's day. I hope all the mum's, grandmothers, step-mums etc have an amazing Mother's day.

Lately the kids have been loving playing musical statues etc if anyone has any old CDS that they don't want anymore that are ok for kids we would appreciate if you would donate them to us.

The kids had a good time making ANZAC poppies. We made poppies by painting with our fingers. We used our pointer finger for the petals of the flowers then used out pinky finger as the black dot in the middle.

Thank you. Talk soon.
