

WHAT'S ON IN GLOBAL CITIZENSHIP ?

WELCOME BACK TO GLOBAL CITIZENSHIP 2019!

What an exciting year we have planned for Global Citizenship.

THIS TERM:

- ⇒ Our Prep to Grade 2 Students are working on Rural, Urban and Suburban Communities.
- ⇒ Our 3/4 and 5/6 Students will be working on Australia as a Nation. More specifically, Immigration in Australia.

These tie in with our School MAPPEN units and the Victorian Curriculum.

We are excited about the Indigenous performance by comedian storyteller Sean Choolburra on Thursday 21st March. This is on Harmony Day, where in Australia we celebrate diversity.

We are looking forward to a great Semester!
