

Extend OSHC at Wandin North Primary School

Hey Everyone,

This term we have made a gumboot wall. I had an idea to make a gumboot walk, I went to my dad and said this is what I want can you help me. We had a look at all the different materials we would need to use to make it, my dad made the frame then the kids painted it and then mesh went on. Some people donated gumboots including my mum. Some of the children planted pretty flowers in them now we watch them grow. If you have any gumboots you would like to donate, that would be great. We could still fit some on the wall. Have a look at our fantastic work when walking past.

We had our enrichment program Friday last week. Was very successful, lots of people came to try our food and have a good time.

Thank you. Talk soon. Have a safe and happy Easter!

Swap & Save!

For our community project this term, we are doing a project called the Swap and Save.

This will start 25th March until 4th April 2019.

We will be having a swap & save week; we will have a trolley outside the room with different items on it that people have donated, like clothes, toys etc (all second hand). If you see something you like bring in something from home you don't want anymore, put on the trolley and take the item you want.

Our community project for Term 3- Community cares for children

Help make a visit to the hospital easier for children.

We are putting together activity bags for the children's ward at Box Hill hospital. The children and I will be making up the activity bags at the end of term, please bring your donations back by 24th May 2019.

We would appreciate donations of:

Colouring books

Pencils

Textas

Story books

Crayons

Note books (small)

Thank you for the donations, we appreciate it
