### Noteworthy :

- **EMERGENCY MANAGEMENT TESTING** : As part of our Emergency Management procedure we will be utilising our communication systems to alert families of potential disruptions that may affect our school. A coloured notice was sent home last week (Tuesday 9<sup>th</sup> October) with students containing details of a **'TEST' Notification** planned for this week via **FlexiBuzz**.
- **ADDITIONAL CURRICULUM DAY** :

Dear Parents.

The Lilydale District Network of schools have been invited to work with an expert in the field of Literacy, Misty Adoniou. Misty focuses on how we can teach strong writing, spelling, grammar and punctuation skills, using rich reading experiences.

The 23 Network schools have combined to facilitate this day and as a result, school council voted in favour of an additional curriculum day to be held on November 12th. We understand that this will result in the need for additional care to be arranged for some families and wish to advise parents/guardians that EXTEND will be operating before and after school care. We also acknowledge that the Monday prior is also a curriculum day and the two days are in close proximity. Unfortunately the date that was available to the Network schools was not negotiable. Thank you for your support and understanding.
