WHAT'S ON IN GRADE ART?

WELCOME BACK TO TERM 3!

We can't believe that it is past the half way point of 2018! We have had a wonderful year in Art so far and there is so much more fun to come.

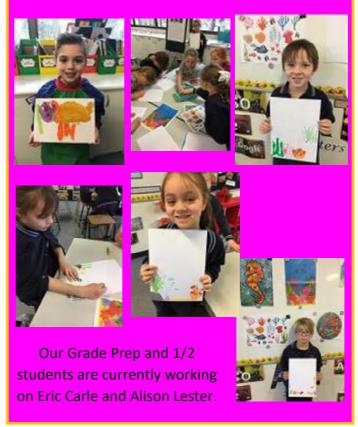

This term our focus is 'Art in Literature.' We are focussing on key artists/illustrators with varying styles and techniques. This topic is providing a strong link between the Readers Workshop in classrooms and our Art program.

- * **Grade Prep** is focussing on the marvellous talents of Dr. Suess and Eric Carle.
- * Grades 1 and 2 are focussing on Alison Lester, Nick Bland, Anna Walker and Jeannie Baker.
- * Grades 3 to 6 are Focussing on Nizar Ali Badr, Shaun Tan, Ron Brooks and Graeme Base.

Congratulations to some of our Upper Years students who achieved their first 'Free Art Day' of 2018 for demonstrating our Art room values. Well done 3/4B, 5/6L, 5/6A and 5/6S.

Collaborative Mosaic – Wandin North Shops!

As many of you have probably seen lately, the Wandin Shops are having a revamp. A new sculpture has been installed near the IGA which will be surrounded by a 'bush tucker' garden. The council has commissioned the Art and designs from local community members INCLUDING OUR STUDENTS!

If you venture up to Mr. K's café you will see an incredible mosaic about Wandin. Our students made most of the mosaic tiles that went into this piece along with students from Wandin Yallock Primary School and Wandin Kindergarten. Our students are so proud of their creation and a huge thank you to local artist Catherine Byatt who arranged our pieces and created the massive masterpiece!
