

Extend OSHC at Wandin North Primary School

Hey Everyone,

This term started off slow with not many kids coming to BSC & ASC, now that we are half way through the term, the ASC numbers have grown heaps. Its great!!!
Now we have Ruby and Snowball in the room, the children love playing with them.

This school holidays, they are trailing vacation care at Lilydale for us, LPS, YJPS & LLPS.
So maybe if they get enough numbers it will continue. I will work there a couple of days.

Over the past few weeks we have finished a few different activities, we crated RSPCA poster which you will see around the school. We have made necklaces for someone, made hama beads and other different creations.

My sister had a house at home that was a xmas scenery which my dad made, she made it when she was little. We wanted to get rid of it, so I thought I could turn it into a doll house. On the holidays, my dad made another level in the house to make more rooms. I got some furniture from friend, who was getting rid of it so I repainted it and made pretty. I made some pillows and blankets with my sowing machine. Between my sister and I had enough figurines to donate for the kids to use (shrek, Disney princess etc). The children love it!!

Dear Parents,

This term, we are organising a BSC & ASC RSPCA soft toy drive!
The RSPCA looks after and cares for unwanted and unloved animals. We are collecting any old/preloved blankets, towels, soft toys & toys for the animals at the RSPCA. When we have collected these items, my sister who cares for animals of all shapes and sizes at the RSPCA will come and collect the items to personally deliver them to our furry friends with our love.

Please bring all donations to before school care & after school care room. By Wednesday 28th March.

Thank you for your donations.

Thank you,
Amy Kennedy
Before & After school care Team Leader

HARVEST MARKET!!!

This year, I am organising the toy stall as I have so many other years. I am looking for any new-used toys to sell and help the school raise some money. If you have any small toys (maccas toys etc), they will be used to multiple stalls. They would be greatly appreciated. Keep a look out for more information all about the Harvest Market. Please bring the toys to Amy at BSC/ASC room or take to the office.

It will be a great day. Thank you for all your support.

Extend Superstar are.....

- * Crystal- helping out around the room
- * Deklan- making an amazing robot suit
- * Divola/Emblin- taking amazing care of Ruby & Snowball over the weekend
- * Patrick – doing an amazing job at cleaning up

What's on next?

This week: foam creations
