

# WHAT'S ON IN GRADE 3/4 ?

## Literacy

In Reading we have been analysing and critiquing persuasive texts. We are able to identify the authors opinion and evaluate writers technique. We encourage students to be taking home books and reading every night at home.

In Writing we have also been studying persuasive texts. Using the correct structure is very important and we have learnt how to organise our arguments into paragraphs. All students are looking forward to our upcoming publishing week and presenting our work on the computers.

## Numeracy

To begin Term 2 we have revised our addition and subtraction skills. We have been looking at real world examples of where these skills will come in handy and have also played several competitive adding and subtracting games. We are about to begin our Time unit, where students will continue to develop their skills in reading both digital and analogue time. We will also be looking at how the rotation of our planet creates the seasons.

## MAPPEN

Our Inquiry program this Term will involve students exploring changes over time. As part of this study we will be looking at changes in exploration and our own Australian history. We will also be attending an incursion which will focus of the convicts and captains of our past.

## Reminders:

Open night - Wednesday 9th May 5:30 - 7:30

NAPLAN - Tuesday 9th - Thursday 11th May

Cross Country - Wednesday 23rd May
