

WHAT'S ON IN GRADE 5/6 ?

December: 2018

As the school year comes to a close, we would like to take a moment to say thank you. Thank you to all our 5/6 Students for sharing their journey with us during 2018. We would like to congratulate all our Grade 6 students as they begin another very exciting chapter in their lives. We wish you all the best in high school and your future endeavours.

Literacy:

In Reading, we have begun studying the author Shaun Tan. We have been looking at his writing style, common themes within his books, the types of illustrations that he uses and any symbolic colours or items that they may include. Students have also enjoyed critiquing and analysing his style of writing.

In Writing, we have been very busy writing our captaincy and graduation speeches. Grade 5 Students have explored and identified on what qualities make them a leader. As the 2018 year comes to an end, our grade 6 Students have reflected on their time at Wandin North Primary School.

Numeracy

In Numeracy, all the 5/6 Students have started designing their mini golf. They are all very excited creating their own golf course using angles, different shapes and measurement. Next week, Students will begin working on their Board Game project.

Students were encouraged to create a board game where players had to solve math problems and concepts learnt throughout the year.

Inquiry:

During Term 4, students hosted a fair for all our Wandin North Students. The students undertook market research based on the needs and wants of our community. Students worked in groups to develop and market a product and sell it to our Wandin North Students. All our students at Wandin North were very happy customers.

Dress Up Day—Fictional Character

What a wonderful day our 5/6 Students had dressed up in their fictional character. Thank you to everyone who made a gold coin donation to show your support towards World Vision.

Graduation

Graduation for 2018 will be held at York on Lilydale on Thursday the 20th of December. The night will begin at 5:45pm. When students arrive, they will have the opportunity to take photos with their peers. At 6:00pm, the Graduation Ceremony will begin, followed by a graduation dinner at 7:30pm for Graduates only. At 8:00pm, the DJ will begin playing music for the disco and will continue to play music and games throughout the night. The celebration will conclude at 9:30pm. (A letter will go home to all grade 6 students closer to the date.)

Reminders:

- **ICT Incursion:** Thursday 6th December.
- **Market Day:** Friday 7th December—12:30pm
- **Christmas Concert:** Tuesday 11th December
- **Grade 6 Graduation:** Thursday 20th December.
- **End of Term 4:** Friday 21st December: - 1:30pm dismissal.
