

# WHAT'S ON IN GLOBAL CITIZENSHIP ?

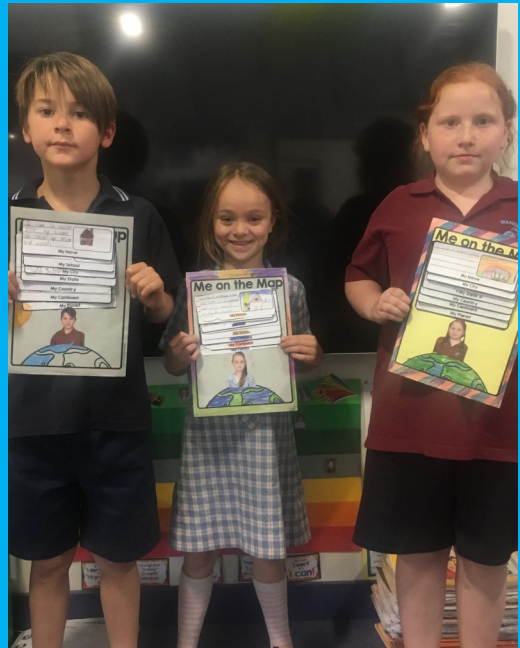

As we draw nearer to the end of the year, we reflect on what a great Semester we have had!

## Foundation to Grade 2

Wow! Our Students did an amazing job presenting to their class. There was lots of colour and some great facts for each section of their Me on the Map project.

Students are now working on their geographical skills, and mapping cities and states within Australia on the map.

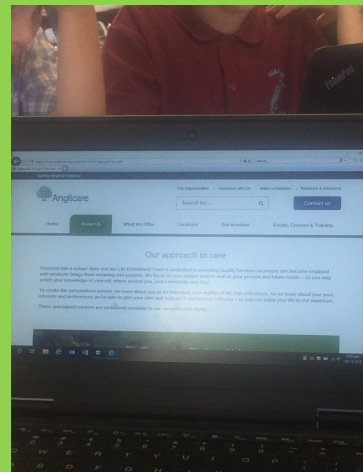

They are also learning about landmarks, through the use of the book 'Are we there yet?' by Alison Lester.

## Grades 3 to 6

Congratulations to all of our Grades 3 to 6 Students for having a go at presenting their third world country project to their group.

Now students are beginning creating posters about an organisation that can help others' on a national or global scale. For example, Oxfam, Red Cross, Salvation Army or UNICEF. Students will be working on these until the end of this Term and sharing these in class in the last week.
