

WHAT'S ON IN ART?

2019 Art Show

Wow! What an amazing night we had at the Art Show. I was thrilled to see the children's enthusiasm and pride when showing off their Sustainability artworks to their special visitors. If you were unable to make it on the night, we welcome everyone to come and visit the Art Room as many of the displays are still up. The children will also be bringing all of their Sustainability artworks home. We hope you enjoy!

Take 3 For The Sea

Although our Art Sustainability unit is over we hope we have instilled in the children many great ways that we can look after our wonderful planet.

Simply, Take **3** pieces of **rubbish** with you when you leave the beach, waterway or.... **anywhere**, and you have made a **difference**.

I have received the most rewarding email from the Take 3 For The Sea founders and they are just blown away with what we have accomplished at Wandin North. I am still in discussions with them and they intend to use our images of both the mural and children's artworks on their website and to inspire future schools. I will keep you all updated when that goes online. In the mean time check out Take 3 for the Sea's website and Instagram Page.

Local Newspapers

This last week both The Leader and The Upper Yarra Mail have visited our school to look at our children's

School Mural

I can not be prouder of our Wandin North community. Thank you to everyone who collected bottlecaps for the mural. If anyone wants to count how many we used that would be great. Wink Wink! The greatest thanks goes to Katrina Webber. You are such a talented artist and you were able to perfectly capture what I had envisioned.
