

Extend OSHC at Wandin North Primary School

Hey Everyone,

Hope everyone is well and had a good weekend. Over the last few weeks we have been very busy.

Over the next few weeks, we have our enrichment program & community project. Over the last few weeks we have made our amazing Mother's day presents. We got a canvas then filled a cup up with paint and tipped it on the top to make a marble pattern all the kids did amazing job. Mum's hope you loved them!

For some of our science experiments; we made exploding lunch bags, we dyed flowers (see photo) and we will be making a few more different ones this week.

Thank you. Talk soon.

Amy, Coordinator– Before & After School Care

Enrichment program!

Over the next few weeks, we will be doing an "Enrichment Program" in After School Care. We will be talking about volcanoes and making some volcanoes.

This will involve us making a couple of different volcanoes and see which one is the best, we will also be testing out different science experiments. Then at the end of week 8, we will be having an Open Day.

For the Open Day, You will be invited to come and watch our volcanoes erupt and have a look at our science experiments, the whole school community is invited to come into After School Care to watch our volcanoes and take a free fact sheet about volcanoes to read.

Appreciate anything you can do & Thank you

Amy, Coordinator

Community cares for Children!

Help make a visit to the hospital easier for children.

We are putting together activity bags for the children's ward at Box Hill hospital. The children and I will be making up the activity bags at the end of term, please bring your donations back by Friday 7th June.

We would appreciate donations of:

- Colouring books
- Pencils
- Textas
- Story books
- Crayons
- Note books (small)

Greatly appreciated, Thank you for the donations

Amy and the Children, Before & After School Care

Extend Superstar are.....

- * Emily– find awesome information for our volcano fact sheet
- * All children– Put in an amazing effort into Mum's Day presents
- * Billie. W– making amazing squishes
- * Kyan– making amazing plasticine dinosaurs
- * All the children– making awesome tree etc to decorate out volcanoes

What's on next?

This week: Enrichment program/ science experiments
