WEEKLY NEWS : Monday 20th April 2020

We hope that all our families are well and are adjusting to our current way of life. It is been a learning curve for all involved and should get easier as time goes by. Thank you for being so patient last week as we sorted out a few unexpected hiccups.

Teachers have been very busy contacting students who are learning remotely and assisting those on-site. Parents and carers are reminded to contact their child's teacher via FlexiBuzz if they have any questions.

During Term 2, there will be fewer editions of the Weekly News and Newsletters to reduce the amount of traffic on FlexiBuzz. Please read the important information listed below.

Noteworthy :

- **LUNCH ORDERS** : To keep some familiar things happening during this term, Mara at Mr K's has kindly offered to keep the Thursday lunch orders happening for students!
