

Hello everyone!

Welcome back to Term 2! Its nice to see everyone after Easter!

We had a good first vacation care. We made lots of different activities. We had a few incursion and excursion. We went to the Forest and to the movies to see 'Tom and Jerry'. Looking forward to next vacation care.

Over the term we will be improving our garden/ cubby house. During the holidays Amy's dad put up a chalk board in the cubby house, we also started painting the outside of the cubby in rainbow colours, we will be putting hanging plants in the cubby house. It will look great when all finished.

We would like to fill some of the gardens with dirt to plant some pretty flowers in; if anyone knows where I could get some dirt possible donated, please let me know.

A few of the children asked me to paint in different ways. Over the next week, We will be exploring different ways of using sponges, marbles, forks, spoons, brushes etc. Soon enough it will be Mother's Day. We will be making lots of different presents for all the mum/grandma/nana/stepmum etc. I hope all you lovely ladies have a great day and love the present the children make you.

Thank you so much & see you next time, Amy (TheirCare Coordinator)

Details & Calendar Info

Pupil Free Days-
Wednesday 19th May:

6:30am to 6:00pm

Before School Care:

6:30 - 8:45am

After School Care:

3:30 - 6:00pm

Diesel helping Amy's dad with the cubby house.

Community Project:

We will be making activity bags for the Children's ward at the Box Hill Hospital.

We would love it if people could donate pencils, textas, colouring books, small teddies and paper bags with handles.

Kaitlin for being creative with recycled materials.

Diesel for being an amazing apprentice with helping Amy's Dad
