

Hello everyone!

Over the past few weeks, we decorated lovely pots for Mother's Day with some herbs inside. We made awesome cards, bunch of flowers, badges, and placemats for our Mum's too. I hope all the Mother's loved them. It was the first Mother's Day without my Mum, it was a bad day. I just want to say Thank You to everyone for their support and love.

We had the pupil free day last week. We had a blast doing lots of different activities. We made bags out of pillowcases, we decorated wooden birds, we played with new yellow kinetic sand and many more. After we made the bags out of pillow cases they filled the bags with toys and some of the children wore their bags as caps the rest of the day.

Over the holidays, my dad put some wheels on a shelf. Ta-Da And now we have a recycled art trolley. So if anyone had an small/medium boxes, or any interesting materials that children could use to create amazing things.

Don't forget Vacation Care bookings now open!

Thank you again to everyone who donated to our community project!
Thank you so much & see you next time, Amy (TheirCare Coordinator)

Community Project:

We will be making activity bags for the Children's ward at the Box Hill Hospital.

We would love it if people could donate pencils, textas, colouring books, small teddies and paper bags with handles.
