

WHAT'S ON IN SPORT?

TWILIGHT SPORTS

Even though it feels like a long time ago, Twilight Sports was an absolutely fabulous night enjoyed by all...spectators, teachers and most importantly the students. Thank you house captains for your hard work on the night, setting up, leading your teams and encouraging everyone!! Congratulations to the Winners Sebire.

An amazing effort Lachie Akers and Rory Brilliant competing and winning in the first round of the tennis trials. Lachie Akers chose to compete at the next round. Well done boys!!

Prep & Grade 1/2

TRISKILLS GYMNASTICS

The Preps, Grades 1 and 2's have improved sooo much over the 4 weeks of gymnastics (1 week to go later in the year, due to weather). Seeing every student improve their balance, rotations, jumping and landing safely all whilst having the best time was absolutely fabulous. Here are some students doing a jump off the trampoline, making a shape or being a bird and getting ready to land in their motorbike landing safely and holding it for 3 seconds.
