

Hello everyone!

Hope all of you are well and staying safe in lockdown. Fingers crossed we will all be out and about very soon. During the last lockdown, I painted the cubby house with a few children. It looks great just waiting for a sunny day to paint a second coat and we have improved the garden with some pretty daisies. My dad screwed a chalkboard up in the cubby house for the children to draw on.

Happier note, we did well this time around in vacation care. We went to the movies, we to a play centre with big slides, inflatable world etc, we had a few different incur-sions. We painted surfboards, made hot air balloons. We had a great time.

As for our community project I want to explain; we normally collect blankets for RSPCA, make activity bags for kids at Box Hill hospital and make pieces for all the other different charities we have help. This time is a bit different, when we are in lockdown at the start of the term I don't see the term going to plan. This time around I decided it would be nice to adopt (sponsor) a koala. Once paid we will get a certifi-cate, teddy and a booklet in the mail from WWF. Can't wait!

Over the last couple of week, we have had all different activities planned; we made cats eyes, used magiclay. I bought a banner and all the children will be able to put their hands on it with paint. It will look amazing when finished.  
In upcoming weeks: we will be making a barn yard garden down near the cubby house. Like when we made the dinosaur and fairy garden.

Stay safe, happy and healthy!

Thank you so much & see you next time, Amy (TheirCare Coordinator)
