

# WHAT'S ON IN ART ?

## Term 4

What a joy it is to see students back in the Art room this term. We have had a very productive term so far with students working on lots of messy, hands-on projects. We're having a great time!

We have begun working on some festive artworks as we enter the month of December. Students will be drawing, painting and using a sprinkle of glitter to bring some Christmas joy home.

A big highlight has been the ability to FINALLY give students the opportunity to paint the clay pieces they ordered as part of our optional Art incursion. Most of these pieces have now been sent home with just a handful being finished off. You can see their stunning artwork in the accompanying photos.

As many students are already aware, my time at Wandin North Primary will come finish at the end of this year. I would like to take this opportunity to thank students and families for their support of the Art program over the last two years. Throughout the challenges of remote learning, it was such a joy to see students creating and expressing themselves at home.

Thank you for welcoming me to WNPS. I wish all of you a wonderful and safe festive season with your loved ones.

Sincerely,  
Ms Laird
