

WHAT'S ON IN PREP?

TERM 4 - December

We can't believe there are only 2 weeks left until the Preps are in Grade One! It has been an exciting, challenging and rewarding year. The growth we have seen since returning from Remote Learning has been phenomenal and we are so proud of all of the Preps! We would like to thank all our amazing and supportive 2021 Prep families. You are all amazing!!

LITERACY

We have begun exploring the comprehension reading strategies, which help us to understand the books we read. These strategies include determining importance, visualising and inferring. We have also explored poetry and procedures this Term. We hope you loved seeing our Haiku poems which are displayed on our classroom windows. We are now moving onto letter writing and are going to be writing letters to our Grade One teachers and Grade 6 Buddies.

NUMERACY

We have been very busy in Maths with our problem solving and open-ended questions! We have been learning to read o'clock and half past times, create patterns and collect data from each other. You can help us at home by asking us to tell the time and also practise saying the days of the week.

INQUIRY

Last week we performed our fairy tales to the rest of the Preps. We had so much fun creating our puppets and puppet theatre and did a fantastic job of retelling a well known fairy tale such as 'Goldilocks and the Three Bears' or 'The Three Little Pigs'.

100 DAYS OF PREP

On Thursday the 1st of August we had 100 days of Prep. Our room was filled with balloons and fun activities such as making crowns, decorating biscuits and making 100 year old self-portraits. We enjoyed a class party in the afternoon and received a party bag which contained all the items we brought to school.

LITTLE NIGHT IN

We had the BEST night at Little Night In. We began the afternoon with a treasure hunt (we even got to go into the staffroom) before settling down to watch 'Shrek'. We ate some delicious pizza and then enjoyed an ice cream half way through the movie.

DATES FOR YOUR DIARY

Thursday 9th December: Clark's Ice Cream Truck

Wednesday 15th December: Class Party & Kris Kringle (Notice to follow)

Friday 17th December: Last day of Term (1:30pm finish)

REMINDERS

It is important to continue practising over the holidays! This will ensure the students retain the knowledge they have learnt this year. Please continue reading with your child and practising the Magic Words they have passed so far, as they will be assessed on their retention upon returning to school next year.

We hope you all have a lovely holiday!

Kind Regards,

Prep M & Prep S
