

WHAT'S ON IN ART

Term 1 - February

Welcome to the first ART newsletter for 2022. We (Mrs Attrill and Mrs Clarke) are so excited for a fun-filled year in the art room!

Our topic this term is **'Famous Artists From Around the World'**. Feel free to quiz your children about any facts they have learnt about our focus artists.

Wassily Kandinsky

WOW— how the students have LOVED learning about Kandinsky! This famous artist is thought to be the first true 'abstract' artist who didn't paint 'things' but stuck to using lines, shapes and colours! Our P-2 students have focused on replicating his 1913 piece 'Squares with Concentric Circles'. Our 3-6 students have focused on his 'line' based pieces such as 'Composition VIII' and 'Black and Violet'.

Colour Studies: Squares with Concentric Circles 1913

Grade Prep-2 Inspiration!

Grade 3-6 Inspiration!

Pablo Picasso

It is our second week learning about Pablo Picasso and both our P-2 students and our 3-6 students have been experimenting with 'Cubism'. We have learnt that Pablo painted in many different styles and mediums BUT what he is most famous for is the style 'Cubism'.

FUN FACT: Pablo's full name is.....

Pablo Diego José Francisco de Paula Juan Nepomuceno María de los Remedios Cipriano de la Santísima Trinidad Ruiz y Picasso.

Cubism Inspired Art

Office Display

Next time you are in the office, take some time to check out the new display of some of our Kandinsky inspired artworks!
