

# WHAT'S ON IN ART

## Term 1 - March/April

WOW– What a month we have had in ART. We (Mrs Attrill and Mrs Clarke) have been blown away with the level of enthusiasm and dedication our students have shown to their Art THEORY and CRAFT! We have continued our topic for the term, **'Famous Artists From Around the World'** and are looking forward to the foci for next term; **'Elements of Art'** (Junior School) and **'Principles of Design'** (Upper School).

## Pablo Picasso

The students have thrived this past month in their studies of Pablo Picasso. Our junior school have attempted 'Cubism style' portraits. Our senior school have experimented with many elements of Cubism and have created some great pieces for our Art show in Term 2. We will refrain from putting pictures in the newsletter so that they are a surprise in the show!

### Grade 2 Cubism Portraits!

**Cubism  
Inspiration!**

## Vincent Van Gogh

We have begun learning about Vincent Van Gogh and the students are fascinated. His work is very complicated and hard to replicate so we have definitely had challenges with our drawing and painting skills. As usual at Wandin North, the students have aimed high and their work is looking fantastic!

**Our 5/6 students are studying 'Starry Night'**

## Grade 3-4 Free Art Day

Our 3/4 students were lucky enough to have their first 'Free Art Day' of the year. To say they had fun is an understatement!
