

# WHAT'S ON IN Grade 5/6 ?

## September 2022

### In Our Classrooms

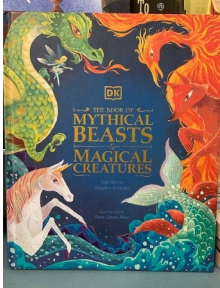

All of a sudden, we are wrapping up Term 3!

In literacy, we have been reading the mentor text 'Mythical Beasts and Magical Creatures'.

We have been making inferences, connections and learning new Vocabulary words. We then asked students to use their imaginations to create their very own magical creature. Our students have loved writing an informative piece and a narrative with their creature as the central focus.

Please come and see our writing at **2:30pm on THURSDAY 15th September in the Gallery.**

In Maths, we have been working hard on Patterns and Algebra. It has been amazing to see our 5/6's create and solve their own algebraic expressions and collaborate on problem solving activities.

We are now learning about Location and Transformation, and making landscape architecture plans for our gardens and surrounds.

### 5/6 Round Robin Sports Day 2.0

The second instalment of the Round Robin Sports Day was fabulous! Our students worked beautifully in soccer teams or tennis partnerships. As always, they showed our school values and did themselves and us proud on the day. Thanks again to Ms Kennedy for organising!

### Living and Growing Program (Sex Ed)

The students learned about body parts and pregnancy in the first session. They will have Session 2 on Thursday 8th and Session 3 on Friday 16th September where they will focus on puberty.

### Reminders

#### Compass

Keep your eyes on the news post for any updates from your child's teacher.

#### Homework

Please remind your child to complete one 'My Numeracy' activity and one 'My Literacy' activity on Essential Assessment each week. Students are expected to read each night and to complete their weekly spelling tasks.
