

WHAT'S ON IN INDONESIAN

Klub Bahasa Indonesia

Our first Indonesian Club this month was a success! Captains Alysia and Dax have taken on mentor roles during these sessions and are doing a fabulous job. Students from all year levels have had fun getting to know each other by taking part in tasks aimed to reinforce and further their Indonesian language skills. A friendly reminder that Klub Bahasa Indonesia (KBI) is held every second Tuesday from 11.10-11.30am in the Indonesian room. All students are welcome!

Hari Kemerdekaan 17 Agustus 2022

During Week 6, all year levels celebrated Hari Kemerdekaan, the 77th Indonesian Independence Day, during their Indonesian lessons. Students sampled a traditional dessert fruit drink called 'es campur', and participated in a range of Independence Day games to highlight the day. Lots of smiles were shared and laughter was had.

Our gorgeous Grade 1 students sampling Es Campur.

'Lomba Makan Kerupuk' is an eating competition that usually involves prawn crackers. We used rice cakes for our version.

'Pena di Dalam Botol' (Pen in a Bottle), is another fun and challenging game played by children and adults alike during Independence Day celebrations.
