

**Hello everyone!**

Over the last month, we have had science, pet, animal and Harry Potter week. For science week, we made exploding lunch bags, volcanoes and slime. Slime is so messy. For Pet and animal week, we made cats, dogs, turtles, penguins, sock octopus, paper chain snakes etc out of all different materials.

This week, we have been making Father's Day gifts for our dads/special person. Hope everyone has a special day and you get spoilt!

Over the next few weeks, we will be exploring footy and spring.

We are very grateful to everyone that has donated to our charity drive this term for the RSPCA, all the good go to an awesome cause and helps all the animals.

So exciting news for me, I'm going on a holiday to England to see my family. There is a few family events on over there. I haven't been since 2018 only for 2 weeks. This time I'm going though vacation care and Term. I'm a bit nervous about going in the term, I have never been on a holiday during the term or had hardly any sick days in the last 10 years. I have been told by a few of the children I'm not allowed to go and one of the girls said she is going to swim behind the plane. I got a letter from a few of the girls saying I can't go. Olivia will be here as the educator. I will prepare her.

Parents, don't forget to book vacation care. We are going to see Superpets and play some mini golf. There are a few different incursions on too.

Come and grab a flyer or check out the TheirCare website.

Amy

TheirCare Before and After School Care coordinator

**Details & Calendar Info**

**Pupil Free Days/ Vacation care:**

6:30am to 6:00pm

**Before School Care:**

3:30 - 6:00pm

**Contact Details**

**Service phone:**

0418 757 221

**Theircare:**

1300072410.

**Theircare:** <https://theircare.com.au/>

**In need please:**

We are in need of some supplies for our activities for next term.

Mugs

Small jars

If anyone has these supplies at home, we would be so grateful for the donation. Please keep in mind during the rest of the term. Don't worry about the lid or the label, we just need the jar.

Please bring by the end of term.

Our very own wands!
