

Hello everyone!

Over the past few weeks we have been exploring a few different areas; Halloween, National Recycle week, Science, Rainbow week, Christmas and Grinch week. HUGE thank you if you donated materials to us for our recycle week. During my holiday to England/Scotland, I went to a waterfront nature reserve, they had a display on how long it takes for plastic products to break down. I took photos to show the children and then we had recycle week: perfect timing. The children were very interested about how long plastic takes to break down. One child said 'we need to recycle better'.

Science week, changed a bit into Elf on the Shelf week. Half and half. Haha. This year, we have an Elf on the Shelf; her name is Poppy Pancake. We made her a house. She can stay in the house all day while we are at school. She has a bedroom, kitchen/bathroom, lift to get to each floor and top deck with a couch. Miah and Erica made a 2 story house for their elves too, they did a fantastic job.

For Science week, We used the microscope to check out different materials like flowers, leaves, hair, onion etc. We used our new projector to look at different pictures each of us draw. We explored different bugs; we also used the creepy crawler to find bugs and study them.

For Rainbow week; We made all different rainbow activities. Families donated foods for us to eat; we jelly, popcorn, cake, fairy bread, cupcakes etc. The children had a blast eating all the rainbow foods.

A HUGE Thank you for everyone who donated some Rainbow foods to our Rainbow week!!! It was great!
I hate being gluten free. haha

We wrote our Santa letter. I sent them to Santa for the children and hopefully they will get a reply.

The teddy bear in the photo below is the new addition to our BSC & ASC family, he came with me from England. The children decided his name is Timmy and his fav food is bangers & mash.

Don't forget to book in for vacation.

Hope everyone has a lovely xmas and happy new year. See you all in 2023
Thank you so much & see you next time, Amy (Coordinator)

Details & Calendar Info

Pupil Free Days:

6:30am to 6:00pm

Before School Care:

6:30 - 8:45am

After School Care:

3:30 - 6:00pm

Thank You:

HUGE thank you to all the families that donated food for our Rainbow week the kids loved all the foods. We ate jelly, rainbow cake, skittles, cupcakes, jubes, M&M's, Fairy bread, biscuits, rainbow stick lollies and so much more.

Thank you to everyone who donated boxes for our Recycled materials for our recycled art week. Children loved creating!

Big Thank you to people the gave us some pinecones. We are using the pinecones for 3 different activities over the xmas period. We have scented them so far and they smell so lovely!

We appreciated the support and donations.

Our Elf- Poppy Pancake

our new English friend- Timmy
