

WHAT'S ON IN PREP?

TERM 4 - December

We can't believe there are only 2 weeks left until the Preps are in Grade One! It has been an exciting and rewarding year. The growth we have seen since the beginning of the year has been phenomenal and we are so proud of all of the Preps! We would like to thank all our amazing and supportive 2022 Prep families. You are all amazing and we will miss you all in 2023!

LITERACY

We have begun exploring the comprehension reading strategies, which help us to understand the books we read. These strategies include synthesising, visualising and inferring. We have also explored poetry this Term. We hope you loved all loved our Acrostic poems which we shared with you all during our Shared Writing session. We are now moving onto letter writing and are going to be writing letters to our Grade One teachers and Grade 6 Buddies.

NUMERACY

We have been very busy in Maths with our problem solving and open-ended questions! We have been learning to read o'clock and half past times, create patterns and collect data from each other. You can help us at home by asking us to tell the time and also practise saying the days of the week.

INQUIRY

Last week we performed our fairy tales to the rest of the Preps. We had so much fun creating our puppets and puppet theatre and did a fantastic job of retelling a well known fairy tale

LITTLE NIGHT IN

We had the BEST night at Little Night In. We began the afternoon with a treasure hunt (we even got to go into the staffroom) before settling down to watch A movie. We ate some delicious pizza and then enjoyed an ice cream half way through the movie.

DATES FOR YOUR DIARY

Tuesday 13th December: Whole school Transition Day

Wednesday 15th December: Class Party & Kris Kringle (Notice to follow)

REMINDERS

It is important to continue practising over the holidays! This will ensure the students retain the knowledge they have learnt this year. Please continue reading with your child and practising the Magic Words they have passed so far, as they will be assessed on their retention upon returning to school next year.

We hope you all have a Merry Christmas and a lovely holiday!

Kind Regards,

Prep A & Prep S
