

Hello everyone!

Over the term we have been making all different activities. We have had a theme every week— science, animals, someone special, easter, wool, sport etc. The kids have had a great time picking the themes and activities out.

The highlight this term was the animal week, all the different animals we made out of all different materials. The children also love a holiday like easter, xmas etc. They get excited.

We have been trying to improve our garden area lately. My dad has made a new sign for our garden. We just have to paint it. He also made some awesome shapes for the fence and we painted both sides. When you walk past the fence next time have a look. There is a butterfly, ladybug and 2 flowers. We also made some butterflies out of coat hangers. They look great we put a light in the middle of them, during the night they glow.

The children love Easter activities, they cant wait! They will be surprise with what I have planned.

Don't forgot to get your bookings in for Vacation care. If you would like a flyer we have some on the trolley or at the office. You can also go onto the website and have a look.

If anyone has any questions give me a call or come and see me anytime. Come and grab a flyer or check out the TheirCare website.

If I don't see you around have a fabulous easter and look forward to seeing you next term.

Amy

TheirCare Before and After School Care coordinator

Details & Calendar Info

Pupil Free Days/ Vacation care:

6:30am to 6:00pm

Before School Care:

6:30 - 8:45am

After School Care:

3:30 - 6:00pm

Thank You:

I just wanted to say a huge 'Thank You' to everyone that donated items to us this term to help us with our activities.

Thank you to everyone that helped at Harvest Market. Everyone did a great job!

Just keep it in the back of your mind if you have any lucky dip toys (maccas toys, small toys) for Harvest Market for next year. You can bring them, I will pack them up and store until Harvest Market next year.
