

Hello everyone!

This term, we have had all different themes so far- week 1: we have making all types of monsters. We made monster balloons, puppets, bookmarks etc.

Week 2: we have made a lot of aussie animals. We echidnas out of clay, possum out of paper plates, we mastered some hard crosswords, we used forks to make a cool pattern on our emus, we turned into wombats and kangaroos, we made some paper chain snakes and lots of other aussie animal craft.

Week 3: we made mother's day presents. I hope you all enjoyed them.

Week 4: last time we did crosswords, the children loved them. Thought might be fun for the children to do different crosswords and make their own. Pokemon one was the best!!

Couple of the children and I tried to make our own. We printed out a blank one and tried to write questions and answers in the spaces provided.

Week 5: we had footy week as part of the school free dress day Friday. Today we dressed up in our favourite footy team colours. Go Hawks!! We design either our own footy jerseys or made our favourite team. Did wordsearches and crosswords all about footy and please footy outside when it wasn't raining!

Parents, don't forget to book vacation care. We are going to see Elemental and going a few other excursion/ have a few incursions.

*Thank you so much & see you next time
Amy (Coordinator)*

Details & Calendar Info

Pupil Free Days/ Vacation Care:

6:30am to 6:00pm

Before School Care:

6:30 - 8:45am

After School Care:

3:30 - 6:00pm

Contact Details

Service phone:

0418 757 221

Theircare:
