Noteworthy :

◆ **Infrastructure Updates :**

School Toilets - We are pleased to announce that our toilet block will be having a complete refurbishment. The internals will be taken back to the frame to ensure all new plumbing and electrical are up to standard. There will be additional cubicles and full-length partitions between each. We will be having all the asbestos removed, full water proofing replaced, windows replaced, and external brickwork repaired. We are waiting on the designs from the contractors, once received, I will be sharing them with our whole school community.

Assembly Area Shelter - We have had the foundation works completed for the shelter over the holidays. The completion date for the waterproof structure remains 28th of August. It will be an exciting week when the steel work gets craned in. The temporary fencing will remain in the courtyard area until the structure is completed at this stage.

- ◆ **Lunch Orders :** We have provided Mr K's Café with the results of last term's survey and are awaiting their response. Lunch orders will continue as usual for the time being.
