

**Hello everyone!**

**Welcome back to Term 3!**

**We had a good time in vacation care. We had a pizza party at La Porchetta, went to Ninja Parc, we saw Elemental at the cinema, went to Bounce that is only a few of the fun activities we did over the holidays.**

**This week, our theme was fantasy. We made unicorns, fairy gardens, dream catchers, fairy wands, dragons etc.**

**The children enjoyed making the fairy gardens; they filled the tub with sand, added the own plants, made mini houses and then added resin flowers, fairies, snails and birds that I made.**

**Over the next couple of weeks, the children choose the themes– Harry Potter, Space and Mario/Sonic!**

**See you when I get back from my cruise.**

**Thank you so much & see you next time, Amy (Coordinator)**

**Charity project:**

*This term, we adopted a platypus. We got some information in the mail and a soft toy platypus. The children named it: Platington Eva Valley. She gets to sit on top of the shelf with her friends: Gumleaf, Timmy, Bananas and Daisy.*

*The kids are very excited for her to join the WNPS family.*

*There is a few more coming. Jade bought a donkey back from Greece, Olivia bought back a kiwi and I will bring something back in a couple of weeks.*

To Right: dream catcher we made

Bottom: Fairy Gardens with resin fairies, snails and flowers Amy made.
