

Hello everyone!

Over the term, we have been creating all different activities. Each week we have had a theme: Harry Potter, space, recycle, book week, sensory, big and small cats, fantasy and Mario/Sonic. The children have been picking the themes. If they can't decide on the theme for the next week. I have a zoo calendar in the room I see what animal holiday it is that week. The children really enjoy anything to do with animals. They keep asking to have more than one animal week in a term. Haha

We are starting our Father's day presents this week. Happy Father's/ special person day to all. I hope you like what the children make you.

In week 10 (last week of school), we are going to explore different types of food. The children also decided that they want to taste some food from different countries. We are asking everyone to please bring food from either your culture or religion.

Or just some yummy food you might be fun for the children to try. Its fun to explore many cultures and foods. Any questions about this please come and see me.

Also in week 9, we will be having a Glow-Tophia party to thank the service for raising money over the term. Date to be advised.

Vacation care is soon. If anyone has any questions give me a call or come and see me anytime. Come and grab a flyer or check out the TheirCare website.

Maxton as our very own superhero

These are our new friends- Winter is our "take home" penguin, Scarlett is our 'Red Nose' unicorn and Bubbles, the Turtle who came home with Amy from Fiji. (to the right)

In need please:

This term, we are supporting the RSPCA. We are collecting- unwanted blankets, towels, dona covers, quilts etc. We will have a trolley out the front of the room for you to put the donations on. We appreciate any donations! Thank you!

Please bring by the end of term.
