

Hello everyone!

Over the term we have been making all different activities. Each week we have a theme that the children choose, this term- wool, games, barbie, rainbows so far. We have Halloween and Christmas activities to look forward to.

**Wool week-** We made all different types of wool items. The children learnt to use the special equipment; I have to make pom poms and flowers. The children always love to make cat eyes!

**Game week-** had a UNO challenge; we played UNO with 50 cards, it was a challenge just to hold all of the cards. There was no card to pick up when there was draw 4, that was funny.

Someone donated spare woolies cards, I made a few memory set out of them. We had a few memory games going at once, the children loved them.

I taught the children how to play 'spit', it's a 2-player card game with a normal deck of cards. The children loved it.

**Rainbow week-** the children choose rainbows to explore. We made unicorns, rainbow paintings, rainbow necklaces out of fruit loops and all other different types of rainbow, the children loved the fruit loop necklaces most of all!

**Barbie week-** we had a barbie scavenger hunt (Thank you, Mr & Mrs Bailey and their girls for the loan of the barbies), we played a pin the cowboy hat on the barbie, we made barbie clothes out of paper/other materials and all barbie related activities.

If anyone has any questions give me a call or come and see me anytime. Come and grab a flyer or check out the TheirCare website.

Amy

TheirCare Before and After School Care coordinator

**Charity Project**

This term, we are supporting the Monash children's hospital. We are having a Christmas toy drive for the children. Please bring in a Brand New toy, game, craft for any ages of children. We appreciate any donations! Thank you!

Please bring by the end of November

To left -little owl friend we had one afternoon.

To the right- our new Disney memory game

Welcome to Peanut (little brown) and Hazel to our BSC & ASC care family.
