

Hello everyone!

Over the term we have been making all different activities. Each week we have a theme that the children choose. We have explored a few different activities this term. Wool, rainbows, barbie, Halloween, Guinea pig, Simpsons, sports, Pokémon and ofcourse christmas. That only a few.

For Halloween: We had a fun time running around finding all the lollies. I placed signs all around the school with a trivia question. The children had to go and find all the signs, then had to answer the questions to get a treat. I made the children little pumpkin and ghost lolly pops. They loved them. We were going to make Halloween lanterns out of milk bottles. The children changed their minds, I got some soil and some daisy or parsley seeds. We made the milk bottles into planters.

The children became obsessed with loom bands lately, Claire made a skipping rope and I taught some of the other children how to make loom bands. Bronte learnt this week and once she got the hang of it she was a real pro.

We got a new pop it! The children love it, it takes batteries and makes noises. You pop it depending on the game you are playing and the children are trying to bet each other's high score.

I love buying succulents and cute pots, the children love my succulent plant collection.

VAC in January; we will open the 8th January. If anyone is needing care over the break.

We are all excited about starting the Christmas activities. Last newsletter for this year. I want to wish everyone a Happy Christmas and Happy New Year!

If anyone has any questions give me a call or come and see me anytime. Come and grab a flyer or check out the TheirCare website.

Amy

TheirCare Before and After School Care coordinator

Thank you and In need please:

For our activities next year we need: - shoe boxes and bottle from water dispensers.

This term, we have been collecting gifts for the children at Monash Children's Hospital drive. HUGE Thank you to the people that have donated. Hope the children have a special Christmas.
