

# WHAT'S ON IN PREP?

## TERM 4 - December

We can't believe there is only a few weeks left until the Preps are in Grade One! It has been an exciting and rewarding year. The growth we have seen since the beginning of the year has been phenomenal and we are so proud of all of the Preps! We would like to thank all our amazing and supportive 2023 Prep families. You are all incredible and we will miss you all in 2024!

### LITERACY

We have begun exploring the comprehension reading strategies, which help us to understand the books we read. These strategies include synthesising, visualising and inferring. We have enjoyed writing letters to our Grade One teachers, Grade 6 Buddies and Santa.

We are about to explore poetry. We can't wait to start writing acrostic poems and sharing them with our buddies.

### NUMERACY

We have been very busy in Maths learning about measurement, data and patterns. We have been learning to read o'clock and half past times, create patterns and collect data from each other. You can help us at home by asking us to tell the time and also practise saying the days of the week.

### INQUIRY

Last week we completed our inquiry unit on our families. We learnt a lot about ourselves and the diversity of families. We have looked into our future and completed a portfolio task on where we see ourselves in the future.

## CHRISTMAS CONCERT

We've worked very hard on our concert dance, learning new moves and the lyrics. When we finally got to perform, some of us felt nervous, but all of us had the best time singing, dancing and laughing with our friends. It was so great to see all of the families together in the crowd and all of the other year levels perform their dance. We also LOVED our special visitor.

## DATES FOR YOUR DIARY

## REMINDERS

It is important to continue practising over the holidays! This will ensure the students retain the knowledge they have learnt this year. Please continue reading with your child and practising the Magic Words they have passed so far, as they will be assessed on their retention upon returning to school next year.

We hope you all have a Merry Christmas and a lovely holiday!

Kind Regards,

Prep A & Prep S
